## BAKE SHOPPE & BISTRO

*"I am that Bread of Life" ...John 6:48*

*We bring you wonderful taste as well as the feeling of home,  
of times gone by, of good quality, of healthy food and warm hearts.*

April 2007  
E-MAIL SPECIAL

A family business means  
we all get put to work!

*'Early on the first day of the week, while it was still dark, Mary Magdalene went to the tomb and saw that the stone had been removed from the entrance... she went to the disciples with the news: "I have seen the Lord!" John 20:1, 18.*

Yes, it is April 1<sup>st</sup>, but this is not an April Fools! Those of you who receive our newsletter by Email will continue to receive it monthly. Mailing costs made it necessary to limit our "mailed out" newsletter to a bi-monthly, but our monthly newsletter will continue to be emailed to those of you who have entrusted us with your email address, or you may download it from our website. Sometimes I see our current technology explosion as a cruel friend. It has the potential to save us incredible amounts of time and energy, and it can on a certain day, cause me to scream uncontrollably at a blue screen blinking an error message at me that I do not understand. That happened to us the other day when our hard drive went down on our POS machine (the next several days were interesting to say the least). I had followed all the backup rules and weekly would (with all confidence) back up the server and label the tape and go home with full confidence that we were SAFE...no matter what. Well unknown to me...an update to

the program had changed the default location of my backup. To those who are tech savvy, you are starting to get the picture. For those of you who are tech challenged, "The mouse had moved the Cheese". My Ace in the Hole was worthless – My backup didn't even exist & the hard drive that contained all the information was belly up!

We certainly choose some interesting things to put our faith in. A box sitting in a little closet, an insurance policy, a 401k, our own goodness, they are rather unreliable backups. Those affected by the severe weather this last week can share with you how quickly those backup plans become worthless. They may make us feel better – but ultimately we have only one assurance.

*"For God so loved the world that He gave his one and only Son, that whoever believes in Him shall not perish but have eternal life. For God did not send His Son into the world to condemn the world, but to save the world through him." John 3:16-17*

..One of The Ladies of Our Daily Bread

Our group of ladies had such a good time for lunch. The food was delicious, the service gracious and the atmosphere quaint. Again we enjoyed so much!

*Janie Kramer, Seneca, KS*

*Dear Janie,  
Thank you for your kind words. We appreciate it when groups call ahead, it allows us to treat you special. On any day, we may have 5 or 50 for lunch. All a part of the challenges of being located in a small town.*

### Focus on.....

Our Daily Bread Scones.....

Have you tried one of our delicious Scones. We have your favorites on hand daily. Our Traditional Scones are best described as a sweet biscuit. Baking powder is used as a leavening agent and Connie adds dried fruits, nuts, or sometimes chocolate bits to this delectable treat.. According to Merriam-Webster, the word scone is derived from the Dutch *schoonbrood* (fine white bread). Connie also makes a whole wheat scone that is available with a special order. As with all of our baked goods, our scones are made from scratch with No Preservatives. Our scones are individually packaged and kept frozen until you come in our door. You can see many of our products on our web site [www.Our-DailyBread.com](http://www.Our-DailyBread.com) You can also talk to a real person by calling us toll free at 1-866-50-BREAD (The On-Line Price reflects packaging is not the price charged at our store.)
