BAKE SHOPPE & BISTRO

"I am that Bread of Life"
John 6:48

The Ladies of
"Our Daily Bread" & Sweeney

October 2005

*We bring you wonderful taste as well as the feeling of home,
of times gone by, of good quality, of healthy food and warm hearts.*

"I ask the Father in His great glory to give you the power to be strong inwardly through His Spirit.... Ephesians 3:16

We all watched last week as the second massive hurricane this year, took aim at our nation. Even though we live in the quiet Midwest, we all watched and prayed for those in harms way. By Monday morning all I could think about was how many were spared...but what about those who were not. Two weeks before our first daughter graduated from high school, our family experienced a gas explosion in our home. That experience changed our lives forever. I will never hear a fire engine, that I do not tremble, and think of who it might be. I know that it is **someone's** home. I know what it feels like to have your world turned upside down. My memories of that time are not about insurance or reconstruction. They are about a tall 17 year old boy who appeared at my door. "What can I do?" There really wasn't anything he could do, but the fact that he appeared at my door and gave me a hug meant more than I will ever be able to explain. When the storms come both from the sky and from circumstance in our lives, our first thoughts are **WHY?**

Sometimes He saves us from the storm...and sometimes He chooses to walk through it with us. We all have been there when a loved one is taken, way before their time, and we know that everything is not going to be OK! It will never be the same again.

The disciples asked Jesus, "Don't you care if we drown?" another time..."Rabbi, who sinned, this man or his parents, that he was

born blind?, another time "Lord, if you had been here my brother would not have died.

Our grandson, Kaden is 5 months old. He will need to have surgery in December. His Mom called me today, and we talked about how wonderful it is in this day & age that they can do the miraculous things with medicine, but in the back of our minds we still know that something can go wrong. "I don't know if I can handle being there" she said. "Oh, you will Laura," I said, "because he needs you to be strong, he needs you to show confidence, even when you do not feel it. You can cry later, but you will be strong- and God will give you that strength."

The only thing that we truly can pass on to our children is our faith! He has told us to build upon that rock, He cries with us when we weep, and sometimes He gives us a chance to weep with someone else, and in times like these He gives us the opportunity to be that Angel at the front door – saying "What can I do?"

.....*Blessings!*

..The Ladies of Our Daily Bread

Just wanted to again let you know how much we enjoyed the dinner Sat. night. Everything was fabulous. The dessert bar was unbelievable. On our way home, I called our daughter in K.C. to tell her all about it. She can't wait to attend one of these special meals. The music on the patio was a finishing touch to such a lovely evening. Thanks so much for offering such fine dining at such a reasonable price.

We have a new member of the "Our Daily Bread" family. Meet William Neil Olson. He was born September 7th, 2005. His proud parents are Kate and Jeremy Olson. Kate, Cindy's daughter, helps in the Bake Shoppe quite often, and does her best to organize Connie. Kate & Jeremy both help in the kitchen at our Special Events dinners. We are looking forward to the Bassinette becoming a permanent fixture in the office. Where else could you find this many Grandmas all in the same place.

Coming Soon...Our Daily Bread Cakes
 Shipped right to your door!
 We are always listening to the wishes of
 our customers. We already ship our
 delicious pies, bread, and muffins by mail
 all over the United States. We find that
 Priority Mail can get those items to your
 door in 2 days, no matter where you live.
 The shipping cost on our web site is a
 high estimate. We only charge our
 customers exactly what it costs to ship
 their items. In Kansas and surrounding
 states most of the item are received the
 next day. A pie usually costs about \$6 to
 ship to your door. With today's high gas
 prices, that is a really good value. And
 food makes a wonderful gift.
 Many of you have asked about shipping
 our cakes. Until now, we did not have a
 way, but we are always busy looking for
 better ways to serve you and your
 families. The cost to ship the cakes will be
 a little more costly. They will come to
 you frozen, and packed in a insulated box,
 packed with ice. By doing this we can
 send them by two day and they will arrive
 at your door, just like you carried them
 out of Our's. Won't it be wonderful to
 have one of Connie's Red Velvet Cakes,
 or one of Adena's White Raspberry
 Cheesecakes for your Holiday Dinner!
