December 2009

*"It Came Upon a Midnight Clear,  
that Glorious Song  
of Old. From Angels  
Bending near the Earth to  
touch their harps of Gold...."*

The sprinkling of snowflakes

In the air tells me that the celebration of Christmas will soon be here again. A magical time for children and adults, the season is a time of preparing. There is the process of decorating, baking, wrapping gifts, and of course in the background of it all is the music. The music of the Season has always been such an important part of the preparation of... me. I find that my heart is the thing that needs the music, an instrument to prepare myself to truly celebrate the season. One of my favorite Christmas Hymns says it best... *"Peace on the earth, good will to men from Heaven's all gracious King"* Yes, maybe that is what the music brings to my heart. A kind of Peace that I cannot explain.

My sister Marilyn & I decided to record some of our favorite Christmas songs this year...it has been such a treat. We love to get together, and find a special joy in the harmony that happens as our voices mix with each other. I wonder if the joy of listening to the music can begin to compare with the experience of being a part of producing a sound and a feeling that is hard to explain. I can only hope that it is as much of a blessing to others as it is to us.

On that first Christmas the Angels knew the secret, and they announced it with music and... *the world in solemn stillness laid, to hear the Angels Sing!... And still*

*their Heavenly Music floats o'er all the weary world ..... every time we share the good news with the music of our lives. And the song continues.....*

*For now the years are hastening on by prophets seen of old, when with the ever circling years, shall come the time foretold..... When all the world shall sing back the song that now..... the Angels....Sing!*

*South of Barnes Kansas is a little cemetery that marks the spot where Chepstow once stood. A small town organized by the settlers who came to homestead there in the late 1800's. Like so many small towns that did not survive it served the people that built it and will always be a part of their memories. The Music of Marilyn Rogers and Cindy Hiesterman honors those memories, the memories of the Drebes family, and all of the families, that had a chance to roam the hills of Chepstow.*

*Cost of CD is \$7.99 plus tax  
And is available at Our Daily Bread and the Always Christmas Shoppe in Barnes*
