BAKE SHOPPE & BISTRO

"I am that Bread of Life" ...John 6:48

February 2010

*We bring you wonderful taste as well as the feeling of home,
of times gone by, of good quality, of healthy food and warm hearts.*

We welcome our guests to take advantage of our Handicap Entrance and Beautiful Deck Area which is located at the rear of the building just off the I.O.O.F. Park

*"I heard the voice of the Lord, saying:
'Whom shall I send, and who will go for Us?'"....Isaiah 6:8*

Aunt Joe collects all kinds of fabric and has a knack of making something out of nothing. You may have seen her "Heavenly Pie Quilt" hanging in the front room of the Bake Shoppe. This winter she made a pieced blanket of well worn denim and applied it with a windmill, tractor, and other assorted farm items. It is the grandkids favorite...along with being warm, I think they can sense that it was made with Love. Her latest project is Baby Blankets. She was told of a need and in her words she exclaimed..."I can do that"! A earthquake of epic proportions recently captured our attention and gave our whole world an opportunity to give. However, in reality, that need is around us all the time. Of the many things calling each of us some will be answered....and some will not even be heard.

God did not direct His call to Isaiah – Isaiah overheard God saying"...who will go for Us!" The call goes out for everyone, whether or not I hear it depends on the condition of my heart. Isaiah was in the presence of God, and he overheard the call. His response, performed in complete freedom, could only be to say, "Here am I! Send me."

I believe that God providentially weaves the threads of His call through our lives, and many will be blessed by the listening ears of people like Joe. You may be one of them!

..... Blessings! Cindy+

I wanted to give a shout out of Thanks! for the snow ice cream recipe. It's been a very long time since that was in my life. I immediately saw my mom's hands over the mixing bowl. So I got out our organic eggs and half and half and scooped snow off the bushes by the front door (after the Jan. 6 blizzard topped off the Christmas blizzard) and we had snow ice cream. What a wonderful time. Thank you! I grew up in Barnes until age 9 then moved to a farm north of Marysville - now in Kansas City. The last time I remember a blizzard, I was about thirteen on the farm and we had to tunnel through the drifts to get to the barn and milk. THAT was the winter the folks had gone to Florida! Thankfully, I'm now old enough to stay home. So we did. And had a wonderful two weeks building fires and eating. Thanks for the journey. Janet Sunderland

Dear Janet,

Thank you for sharing your memories with us...just like a musician needs applause, it is always appreciated knowing that the newsletter has touched hearts. And look...it worked...the Snow is almost all gone! cindy+

Our hearts are Broken...

Saturday, January 30th Laura and Kevin's son Kaden was called home to his Heavenly Father, at the age of 4 years and 10 months. Kaden was a gentle child that loved everyone. You often would see him in our Bake Shoppe when you stopped in for lunch as he loved to escape the kitchen and ride little tractor through the dining room. Inbetween the tears, we are trusting in the promises of Heaven and looking forward to joining him there...
.....when God whispers our name. cindy+
