## BAKE SHOPPE & BISTRO

*"I am that Bread of Life"*  
John 6:48

The Ladies of  
"Our Daily Bread"

April 2005

*We bring you wonderful taste as well as the feeling of home,  
of times gone by, of good quality, of healthy food and warm hearts.*

*Love the Lord your God with all your  
heart, all your soul, and all your mind.*

*Matthew 22:37*

We welcome the newest member of our family into the world. Kaden Lawrence Clark was a gift to his parents Kevin and Laura Clark and Grandparents Ernie & Cindy Hiesterman on March 17<sup>th</sup>. It is truly all those things that remind us what it is all about. A new beginning, another chance, rebirth. Marilyn calls it "the gravy."

We were talking about our dreams the other day in the Bake Shoppe, Kim said she always had a dream of living in an old limestone house. "They are so beautiful", she said. I asked her if she had told God of her dream, "He loves to hear those things from us." She laughed and said "Well, that just isn't the most important thing to me. "What is that thing, Kim?" I asked. "Oh, that my children would know their Lord, and would grow up to be Godly men and women", that is my dream.

We are surrounded by so many things these days that command our attention. The newest and greatest technology is outdated almost the minute that it is introduced. To keep up with the things that are pushed at us are both unreasonable and exhausting.

A long time ago the question was asked in the book of Deuteronomy 10:12. "What does God ask of You? The answer is still the same..." And now, O Israel, what does the Lord your God ask of you, but to fear the Lord your God, and to walk in all His ways, to love Him, to serve the Lord your God with all your heart and with all your soul."

Lord, you gave your life! You ask me to do the same, Bless you for giving me the power to love and serve you with all my heart and soul. Take my life and let it be consecrated, Lord, to thee.

Oh,...I almost forgot...Matthew 22:39 lets us in on the rest of the story....the second part of the Greatest Command! **"Love your neighbor as yourself!"**

*Blessings!*

One of the special people that we have had the opportunity to meet through our newsletter is Nancy Galleni. Nancy celebrated her 70<sup>th</sup> birthday with Our Daily Bread Cookies from Kansas. Nancy says that four of her five children were born in Kansas. The youngest little one in the picture is Nancy's great granddaughter. Blessings to you and your whole family

*Yes, each one of our delicious Pies are made by hand*

*...specifically THESE hands!*

Connie remembers making her first pies when she was ten years old. Our family had a lot cherry trees, and Connie would make the cherries into pie and freeze the pies. When we were children our family had a dairy, and you could either help with chores or cook. The whole family preferred having Connie in the kitchen. The counters were always lined with warm cinnamon rolls, pies, and cookies. Connie remembers her first pie was a pumpkin pie, and no one could chew the crust....but needless to say...her crusts have improved. Many of our customers say that the crust is the best part. Before the Bake Shoppe opened, locals would refer to these creations as **Connie Pies**.

We have had a lot of suggestions lately on our customer survey card requesting that we move....To Wymore, ....To Marysville,....To Manhattan. We thank you for the invitation...but we love it in Barnes. We know that you will too. Come soon for a visit!
